PHAROS BRIEF

APARTMENTS PHASE

Pharos, Alex West's latest community,is meticulously designed to create the perfect balance between the open space and the comfortable living, overlooking Marioute Lake and West City club.

Units are built on the natural topography of the land granting privacy and boundless views for every unit, Pharos natural landscape is like no other in Alexandria.

Varieties in the sizes and locations within our Residential units are offered to our customer for their maximum satisfaction whether you are looking for a small apartment, bigger one or even with your own private garden, for those looking for tranquility in an upbeat community, Alex west is the place for you.

Pharos is designed to have lots of green open areas and spaces, proximity to west City Club and it's all sporting facilities, as well as the 18 hole golf course poses a great opportunity for the young at heart and those seeking an active lifestyle.

For visitors or people who drive, rest assured, parking lots have been accounted for. The offered and planned parking solutions such as surface parking to covered garage areas, leave visitors and residents free to enjoy Alex west streets with much convenience and tranquility.
