THE CITY YOU DESERVE

THE CITY YOU DESERVE

PHAROS BRIEF

Pharos, Alex West's latest community is meticulously designed to create the perfect balance between the open space and the comfortable living, overlooking Marioute Lake and West City Club.

Variety of sizes and locations within our residential units are offered to customers for maximum satisfaction, whether you are looking for a small apartment, bigger one or even with your own private garden. For those looking for tranquility in an upbeat community, Alex West is the place for you.

APARTMENTS MASTER PLAN

Pharos master plan is designed by Sabbour Consulting ensuring a tranquil and stress - free environment, where your home is located within a peaceful ambiance. A great deal of attention has been given to every detail to create a living environment that is second to none.

Units are built on the natural topography of land granting privacy and boundless views for every apartment. Pharos natural landscape is like no other in Alexandria, it is designed to have lots of green open areas and spaces, its proximity to West City Club and it's all sporting facilities as well as the 18 holes golf course poses to a great opportunity for the young at heart and those seeking an active lifestyle.

LUXURIOUS LIFE

Alex West is the neighborhood of comfort for you and your family. Experience the delight and luxury of our residential units specially designed for your convenience, in addition to all the facilities and entertainment you need.

Here, you get to wake up to breathtaking views every morning, and embrace a lifestyle away from the busy life. We offer you nothing but serenity and luxury at its finest.
